to protect complainants/whistleblowers Confidentiality Measures to protect petitioners

1. Consideration of complaints Set the level of secrecy and protect those involved according to regulations. Concerning the maintenance of government secrets, B.E. 2011, and the submission of matters to the agency for consideration, the information provider and the complainant may suffer, such as complaints against civil servants, initially considered It is a government secret. If it's a cool card Consider only those cases where the evidence is specified, circumstantial cases appear to be unclear, as well as certain witnesses. Informing influential persons must conceal the name and address of the complainant. If the name and address of the complainant are not concealed, the relevant agency must be notified. and provide protection to the complainant as follows: "Let the commander use his discretion to give orders as appropriate to protect the complainant, witnesses, and persons providing information in the investigation Do not suffer harm or injustice that may result from making a complaint, being a witness, or providing that information." In the case where the name of the accused is specified, both the complainant and the respondent must be protected. Because the matter has not yet gone through the fact-checking process and may be an accusation of harassment. Trouble and damage can occur and in the case the complainant specifies in the complaint Request concealment or do not wish to reveal the name of the complainant. The agency must not reveal the name of the complainant to the responding agency because the complainant may receive suffering according to the cause of the complaint

2. When there is a complaint The complainant and witnesses will not be subject to any action that affects their duties. work or livelihood If any action is necessary, such as separating the workplace to prevent the complainant, witness, and the accused from meeting, etc., consent must be obtained from the complainant and the witness.

3. Requests from victims, complainants, or witnesses, such as requests to move workplaces or methods for preventing or solving problems. Should be considered by responsible persons or agencies as appropriate.

4. Provide protection to the complainant from being harassed.

Measures to protect the accused

1. During the consideration of the complaint, it is not considered that the accused person is guilty. He must be fair and be treated the same as other people.

2. Give the accused an opportunity to fully explain the allegations. including the right to present documents/evidence

Announced on October 1, 2026.
